CHRISTIAN FAITH

During the last few months, as always, there have been several fund-raising events for our churches across the Benefice, and as the Incumbent I am extremely grateful to all those who contributed in ANY way at all.

A near full church enjoyed a wonderful evening of Folk music in Wattisfield Church, whilst Westhorpe Church hosted a very lively and entertaining evening of music, comedy and poetry. We are indebted to Langham Hall for opening their gardens once again to the public for fund-raising, as we are to Penelope in Walsham for allowing her gardens to be used for the annual Church Fayre. Badwell Ash had a successful art exhibition during late May, visited by people near and far. Finningham Church had their enormously popular and successful flower festival and continues to fund raise with their successful 'tea at Barts' on the 3rd Tuesday of the month, and their book sale and coffee morning every last Saturday of the month; do get along. But it is not just the raising of funds that is important, but the bringing together of people across the Benefice and beyond in a spirit of camaraderie and friendship.

The Benefice were extremely pleased to welcome our Suffragan Bishop, Bishop of Dunwich, The Right Reverend Dr Mike Harrison, to St Margaret's Church Westhorpe at the beginning of June. Bishop Mike led a Communion Service during which two candidates were Baptised and ten Confirmed. It was an uplifting service, well attended, and followed by a fine assortment of refreshments in the Village Hall afterwards; thanks go to all who made the day such a success.

Our candidates varied widely in ages, with several decades separating the oldest from the youngest, which goes to show that there is no age

barrier to people committing themselves to the Christian Faith; basically, it is never too late. This is the second time that Bishop Mike has conducted such a service within the Benefice in the space of just over a year, and we are grateful to him. I am always very much open to anyone coming forward for Baptism or/and Confirmation, and as such will be glad to hear from those who feel that this may be something they wish to pursue. Elsewhere in this magazine are details of a forthcoming Bible study to be held at the home of retired Priest, Reverend Pam Robson, which is open to EVERYONE, regardless of where they may be on their journey of faith, or indeed for those who might declare that they have none at all.

Age is truly no barrier to the Christian Faith as we are reminded later during the month of August when the Christian Church worldwide celebrates the Feast Day of the 4th/5th century St Augustine. Born a Roman African, and an extremely gifted scholar, Augustine spent his formative years living a wild and dissolute lifestyle, coupled with a firm conviction as a declared atheist. His father had been a pagan, whilst his mother lived the life of a devout Christian. It was her influence that caused Augustine to become increasingly anxious about his spiritual life, and it is said that he began to pray to God with the words; 'please make me chaste, but not just yet.'

St Augustine was finally baptised, Ordained as a Priest and having founded the Monastic Order of Augustinians, was eventually persuaded to become Bishop of Hippo, which is today modern Algeria. Augustine is widely regarded as one of the most influential of all the early Christian Fathers, whose extensive writings are still much quoted, published and used by scholars even to this day.

And finally; during the month of September and early October each of our six churches will be hosting their annual Harvest Festivals, and a warm

SUFFOLK CHURCHES RIDE and STRIDE

This years 'Ride and Stride' will be taking place on Saturday 14th September. If anybody is interested in cycling, walking, sitting in church, involvement with refreshments or sponsoring others, please contact the parish organiser or myself. I should be very grateful if there are any volunteers to become a parish organiser for this annual event, for future years.

Last year the event raised £155,00 across the Diocese, with some monies going back to the churches directly, while the rest is used throughout the year in the form of grants to our historic buildings; so the money is well spent to preserve our heritage.

CHRISTIAN AID

Walsham le Willows and District WI

June 2019

Heaped high with brilliantly coloured beads of every shape and size, the table laid out by our speaker really appealed to the 'maggie' instinct in our members and it was hard to believe that these 'jewels' had been created from coloured pages of magazines. The proceeds from the sale of this craft have, for twelve years, been helping to sustain a small school and safe haven for a number of young Ugandan children. There was no doubting the passionate dedication that Alison Brain had poured into this work. Every improvement like the introduction of a serviceable water supply and of roofs on the dormitories was the product of team efforts from various volunteers like Alison, on their regular visits. It was gratifying to hear that a number of the children we saw in the pictures had gone on to further education after their time in the community. The beads were indeed a successful marriage of ingenuity and re cycling and their heart-warming story brought a little bit of Africa and very different lives far away to our door.

THE WESTHORPE TRUST

The Westhorpe Trust is made up of several historic funds. The oldest is from the will of Richard Brown in 1641, who lived in Westhorpe and left ten shillings a year to the poor of the parish. Income also came from the properties at Town Yard which in the 19th century contained the parish workhouse and some arable land at Botany Farm, Walsham le Willows.

The Trust's income is divided into three parts all for the benefit of the inhabitants of the parish:

1. **Westhorpe Parochial Church Council** for the upkeep and services for St Margaret's Church;
2. The **Education Foundation** which gives every child a book token at Christmas. Those at university, college or other forms of Further or Higher Education or apprenticeships are given grants each academic year towards tuition fees, travel expenses, books, computers and other essential equipment. Help is also offered with other expenses such as school uniform, books and possibly school trips for those in nursery, primary and secondary school as well as others taking educational courses.
3. The **Village Fund** provides family and personal grants for any kind of assistance, emergency payments, help with transport and heating costs, grants towards village events and many other things which need funding and are of benefit to the parish. If you feel the Trust can help you or your family, an application form is available to download from the village website - www.westhorpe.onesuffolk.net or get in touch with the Secretary – details below.

All applications are treated in the strictest confidence

Pawfect Moments
Dog Walking and Petcare
(Badwell Ash and surrounding villages)

I am available to walk your dog/dogs, provide doggy day care, pet sitting and home visits
for feeding, medication and toileting.

I appreciate that all pets are different and have a variety of needs. Therefore I always start
each new relationship with a free initial home visit. I am fully insured, have attended a
Canine First Aid course and am currently studying with the British Canine College for a
Diploma in Professional Dog Walking.

I'm looking forward to hearing from you.....
