'The Light shines in the darkness, and the darkness has not overcome it.'

On the 6th December every year the Christian Church celebrates the Feast Day of St Nicholas. It is widely thought that from this Saint came the inspiration behind Santa Claus. Nicholas was born in the 3rd century in what was Greek territory in the now southern coast of Turkey. He was born into a wealthy family who were faithful Christians. Sadly, his parents died when Nicholas was young.

From an early age, influenced by the teachings of Jesus, Nicholas used his inheritance to help the poor, sick and needy. At a very early age Nicholas was made a Bishop, and after his death became a very popular Saint, at one time being second only to the Virgin Mary in popularity. In England alone there are over 400 churches dedicated to St Nicholas.

Many stories are told of Bishop Nicholas, perhaps the most famous being the dowry he gave to three daughters of a poor man so that they would not be sold as slaves. He is said to have thrown three small bags of gold through the window of the house, which landed in their shoes left in front of the fire to dry. It is this that led to the custom of hanging your stocking by the fire for Christmas.

Other stories speak of his care for children and seafarers, and though born into a wealthy family, he used his position wisely and faithfully; adhering to his Christian Faith. As a child I totally adored Christmas, Santa Claus and Father Christmas. I still love Christmas, the family traditions, carols, mince pies, and people coming together to celebrate the birth of a tiny baby boy born to poor parents in a Palestinian backwater. A birth which should have gone unnoticed, but which has changed history and the lives of countless people.

For many the season of Christmas can be lonely, or a time just to get through, whilst the absence of loved ones can be felt more keenly. Perhaps for Mary and Joseph, at that first Christmas, their feelings were the same. They were far from home, not welcomed by the people of Bethlehem, frightened and vulnerable, wanting to get through the time safely and with the least fuss. It was in their vulnerability that God gave them signs and assurances of His blessing and love.

Centuries of traditions and celebrations have meant that we have lost touch with the rawness of Mary and Joseph's situation. The commercial element has often eclipsed the way God reached down amongst the poorest of humanity and blessed them with a child whose name means 'God with us.' Jesus brings hope into our lives, especially at Christmas. He gives us the assurance that we do not have to begin the New Year alone, if we trust in Him.

During the month of December, I invite 'Christmas Aid' donations to be left inside the church at Walsham, which will be passed to the Salvation Army in Bury St Edmunds, for those struggling economically along with those living in accommodation for the abused. Donations can be cans, packets, boxes of foodstuffs, or alternatively sanitary products and nappies. Your generosity would be appreciated and valued.

Denise and I wish you all a very Blessed Christmas and New Year.

Prayer Cards - Walsham Church

During the Season of Christmas blank prayer cards will be left near the Christmas Tree which can be filled in and placed upon the tree. Please feel welcome to participate.

CHRISTMAS SERVICES across the BENEFICE

There will be a variety of services across the Benefice during December, I do hope there is 'something for all.' You will be warmly welcomed.

Without going through them all, they are listed elsewhere; there is a popular informal 'carol service' at Langham Church on the 15th December, 2.30pm. The Crib Service at 3.30pm on Christmas Eve in Walsham Church, and the Carol Service at Badwell Ash Church 5.00pm Christmas Eve.

There are 3 Services of Compline, short Monastic style services, and this years Christingle Service will be at Finningham Church at 3.30pm on the 8th December.

On Christmas Day the 8.30am Holy Communion will be a shorter 'said' service at Badwell Ash, whilst Finningham and Walsham will be hosting informal Communion Services.

CHRISTMAS AID

This years Benefice Christmas appeal is for the Salvation Army in Bury St Edmunds, who will be able to distribute to those in most need, as they as an organisation work at the 'sharp end.' If you wish to contribute then please place items of canned, packed food (not fresh food), or/and sanitary items, toiletries, nappies etc.... inside St Marys' Church Walsham. I am more than willing to collect; many thanks.

“Anyone for tennis”?

Even the most devoted fan watching the Wimbledon Tennis Tournament unfold would, not have learnt the inside story that we were able to glean from our speaker, who has spent a remarkable thirty-seven years as a line judge at this famous sporting classic. Despite this proud record we were amazed that this still requires an application every year and that even with this level of experience the umpire will still be marking each line judge to maintain the required standard for this prodigious club. To attain the required standard of presentation means conforming to a set of strict uniform regulations. Several of these involved displaying the club badge in the correct position at all times and carrying one’s blazer over the proscribed arm on leaving the court.

The club looks after the players incredibly well and they want for nothing, be it tickets for a West End show or chauffeured travel. Line judges work in ‘teams’ moving around a variety of courts and yes, they do actually get a rest period every hour if the match allows. Of course we wanted to know, ‘Who’s the nicest player?’ Well, it seems Federer is consistently charming. Reporting ‘foul’ language by another famous player however, got our speaker subjected to considerable jeers and boos from his fans.

During the adult tournament a surprising number of collectable Wimbledon towels go missing as they are taken off court but do not return. During the Junior Tournament, a surprising number of official Wimbledon T-shirts are known to have been exchanged for unacceptable coloured shirts by one young entrant. Next year our speaker will again leave her floristry business and comply with the qualifying regulations that require officiating at several major tournaments in the run up to this famous summer landmark in the calendar. Then it will be “Anyone for tennis” once again!
