### A TERM IN A SCHOOL

We came back to school in September full of eager anticipation about what the new school year ahead brings. As well as the usual learning in class, friendship groups being formed, staff sickness, pupil sickness (colds and sickness bugs within the first week!) and trips, there is also the totally unexpected. The things that go wrong with premises – broken light when the parts are no longer available, flash flooding caused by an hour and a half's torrential rain in an afternoon and a key that breaks in the main front door leaving the alarm sounding and no way to get back in.....

All times when we need to remember 'this too shall pass'.

However, there is also the joyous things – the things that children say that make you smile so much. The reception child who asked, "can you pass me the pexagon?" when meaning hexagon.

The child who asks if I'm going to be seven on my next birthday (no, nowhere even close to being seven).

The child who thinks I sleep at night under my desk in school and looks at me with doubt when I tell them that I do indeed go home to sleep.

The children who are soaking wet from the water tray and when asked why reply with "we were playing at christenings" .....

As a school we are looking at our changing attitudes whilst we work on our growth mindset and not being able to do things.... yet. Each week we choose children from every class who have demonstrated a positive mindset and really applied themselves to their learning, no matter how hard they have found it.

Then, each half term a selection of these children is invited to have afternoon tea with myself and I really look forward to that quality time talking to the children about their interests outside of school and their favourite Disney film.

This we hope continues to be an attitude that will follow all of us on our journey of learning, wherever we may be or however old we might be.

Whatever the challenges that come around during the school year, the delight of engaging with children make the more challenging days seem all the while worth it and I never tire of working with children.

As we move on into the 'Christmas Season', it's important to remember that although we may be really busy, try to stop and take a minute to see the magic of Christmas through the eyes of the child. And when it's all over, know that the shoots of Spring will soon arrive and the darkness of winter will also pass.

## CONSECRATION OF THE BROADWAY CEMETERY IN BADWELL ASH

On Thursday 12<sup>th</sup> October, Rt Revd Martin Seeley Bishop of the Diocese of St. Edmundsbury and Ipswich officiated at a Consecration Ceremony for a new churchyard extension off The Broadway at Badwell Ash to be known as The Broadway Cemetery.

The churchyard surrounding the church was officially closed for burials in 1990 although it had not been used for over 120 years. An extension to the churchyard, which was opened in the late 19<sup>th</sup> century in Richer Road, was also running out of grave space and by 2018, there was only capacity for ten more burials. At that time, the PCC decided that a new burial space would be needed for the village as the only alternative, once the Richer Road churchyard was full, would have been for villagers, who died in Badwell and who wanted to be buried, to have been interred in one of the adjoining village churchyards.

When a local landowner heard of this situation, they generously offered a plot of land off The Broadway to the church for a nominal sum for the new burial ground provided the PCC could obtain planning consent from the District Council. A planning application was submitted to Mid-Suffolk Council 4 years ago and eventually, after an initial refusal and many months of hard work and compliance with the many conditions imposed by the local authority, consent was obtained 3 years later. A new access and car park has now been constructed and finally, the new Broadway Churchyard Extension was ready for The Bishop to consecrate.

The ceremony, which, according to The Bishop happens very rarely, was held on Thursday 12<sup>th</sup> October with an enthusiastic group of 30 villagers present and once concluded, everyone went to The White Horse Inn in the village who had generously provided refreshments.

It is now hoped that the new burial ground will last for many years to come.

## THERE IS NO GOODBYE

There are moments on this planet  
 Periods of special time  
 That connects us with our loved ones  
 By revealing certain signs

For when the vibrations of the earth  
 Disturb the balance in the air  
 A message will reveal itself  
 For you to act upon with care

Then the forces will surround you  
 To help you if you ask  
 And smooth a path for you to walk  
 Unhindered in your task

For your loved ones will be watching  
 Each day when you awake  
 To assist you in your struggles  
 And the errors you might make

Pay attention to their presence  
 And listen with both ears  
 For the whisper that will call to you  
 And the advice that you will hear

Have courage in your footsteps  
 And use their wisdom without fear  
 To settle all your worries  
 From life's troubles that are near

For you travel not alone in time  
 On the journey that you take  
 As their spirits stand-by to guide you  
 On the choices you now make

So, do not say the word 'goodbye'  
To loved ones when you part  
As they will tap you on the shoulder  
To cause a tremor in your heart

And when that movement stirs your soul  
Get up and march ahead  
As they are looking down on you  
To see where you might tread

For through your senses a light will shine  
To show you where to turn  
As the departed gently teach you  
On the lessons you must learn

Not just Jerusalem though that was a start. Under Alison Weston's animated instructions we ran through a wide repertoire ranging from a romantic Elvis pop song to schoolyard skipping rhymes and in two part harmony we blended 'Skip to my Lou' with 'Bobby Shaftoe'. Who even knew we could! So it was a different, but most enjoyable, meeting. Music being good for the soul, it seems we should invite Alison and her key board back again and help her with her declared ambition to get the world to sing.

President Janet Brown announced that four resolutions were to be considered for debate this year with all members choosing a choice. One resolution concerns the availability of NHS dental care another the availability of public housing and a third calls for restrictions on the advertising of gambling. The fourth high lights the need for sentencing outcomes to be tailored around women with low risk of re-offending and family responsibilities.

There were updates from the coffee and chat group and from the walking group who will be meeting before our next monthly meeting on December 13 at which we will enjoy a Christmas craft work shop.

I am available to walk your dog/dogs, provide doggy day care, pet sitting and home visits for feeding, medication and toileting.

I appreciate that all pets are different and have a variety of needs. Therefore I always start each new relationship with a free initial home visit. I am fully insured, have attended a Canine First Aid course and am currently studying with the British Canine College for a Diploma in Professional Dog Walking.

I'm looking forward to hearing from you.....

## CITIZENS ADVICE

citizens  
advice Mid Suffolk

**I am a single parent with two kids and I'm really worried about how I'll afford to pay my energy bills when I have to start putting the heating and lights on more now winter is here. At the moment I just about have enough money to cover my bills but there is nothing left over. The thought of getting into debt keeps me awake at night but the idea of my children being cold and possibly unwell as a result is just unbearable. What can I do?**

You are not alone - a record number of people came to Citizens Advice with energy debt in the first four months of 2023 (32,400) - a 112% increase on the same period in 2020 (15,200).

There are things you can do to feel in control when it comes to your energy bills. These tips won't cover all the extra costs, but they can make a difference:

- Check your thermostat: A room temperature between 18°C and 21°C is ideal for most people. Try turning your thermostat down by one degree within this range – it could save you around £115 a year. If a medical condition means you need a warmer home, ask your GP what room temperature you should aim for.
- Keep the heat in: Check your home for any gaps in the doors, windows and floors. Blocking any holes where you could get a draught could save you around £30 a year. It is important to allow for some ventilation as without it mould and damp can form.
- Turn off anything you're not using: Turning your appliances, like TVs and washing machines, off instead of leaving them on standby could save around £60 a year. Turning off lights when you're not using them – even if it's just off for a few seconds - could save around £25 a year.
- Consider using LED lightbulbs, which cost less to run.

• Watch your water usage: Cutting your shower time by just one minute can make a difference. If everyone in a four-person household with a water meter did this, they could save around £75 a year.

If you're struggling to afford your energy bills, you don't have to deal with it alone. Get in touch with Citizens Advice Mid Suffolk and you can get free advice on the help available to you.

## Beginners Guitar Ricky Wilkinson MBE [ricky5844@aol.com](mailto:ricky5844@aol.com)

Learning Folk Guitar for children year 2 and up.

Hi. My name is Ricky Wilkinson and I live in Westhorpe. Until lockdown I was teaching guitar in Guildhall Feoffment Primary School in Bury St Edmunds. I also run Phoenix Children's Folk Group based in Bury St Edmunds. Members learn to play and sing plugged in to our sound system for charities, festivals and various concerts.

In Folk Guitar children learn songs to sing accompanied by a variety of plucks and strums on guitar to enable them to perform solo or in a group. My Phoenix group performed all the music for Langham Church Carol Service last Christmas on 12<sup>th</sup> December 2021.

If you know a child who would like to learn to play guitar and sing so they can perform, please email me for further details. I can give private lessons in your home or if there are 6 or more wishing to learn I can use Westhorpe village hall at a suitable time after school which would be much cheaper than individual private lessons. I am DBS checked to teach guitar and run the Phoenix group. Parents are always welcome to stay and watch.
